<u>Term Paper-</u> The Evolution of Prostitution to Sex Work
Term paper submitted in 1 st semester during M.A. Examination. The paper was based on secondary sources.

<u>Dissertation Title-</u> Surveillance: A Sociological Experiment
The project discusses and explores developments in surveillance technology and how people blend and/or are forced to blend into this surveillance society through mixed methods. |
| April 2015 | B.A. in Sociology (Honours), Calcutta University
(Kolkata, India)

<u>Thesis Title:</u> Alienation and Depression among the people of Bolpur
The project discusses the research conducted in Santiniketan, in the Birbhum district of West Bengal, India. There was a discernible lack of concentration on addressing the basic issues of the indigenous people on the part of government administration. The majority of the villagers lived in sparsely populated areas and thus led an isolated life away from towns and cities.

<ul style="list-style-type: none"> • Identified some of the aggravations faced by the villagers. • Identified, how many villagers migrated to cities because they felt aloof from the mainstream society. |
